Subject: Firearms Insurance Testimony

Hello. My name is Michael MacCracken and I live in Plainfield,CT. I'm disabled and have not worked for over three years. I'm a husband and a father of three young children who is supported by my wife the only source of income in this home. I would like to tell you we can't afford this insurance and I personally think it is not necessary. I feel this is just another back door way to registration of my legally owned firearm. I would like you oppose this insurance because it is unconstitutional at best. Thank you for your time. Michael MacCracken.
